the FALKENSEE (N 53/Z 65) freight station the evening of 22 August 1949. Four flatcars loaded with two-wheel carts and field kitchens were standing on another track. The railroad cars, after being coupled together, left the station en route to NAUEN (N 53/Z 45) about 1 a.m. on 23 August 1949.

2. Eleven empty flatcars were standing on another track at the FALKENSEE railroad station.

Comment: This is the first information on a train with Soviet dependents leaving the FALKENSEE railroad station. Since the evacuation of dependents from four other air force posts was also reported at the same time, the above information is considered credible.
